

No. R. 6156—Fts. 116-06-3, dated 19th December 1906.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that, from the 1st January 1907, the area, the boundaries of which are set forth in the Schedule annexed to this notification, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof:—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Tumkur.	Chiknayakanhalli Taluk.	1,389 acres and 9 guntas.	Kudure Kanave Forest Extension.	<i>North.</i>—Starting from the trijunction bandhs of Trimnal village of Chitaldrug District and Melanahalli and Kenkere of Tumkur District, the boundary line runs east along the borders of the Trimnal village up to the north-western corner of Survey No. 22 of Melanahalli. <i>East.</i>—Thence the line runs south, south-east and south-west in a zigzag line along the western boundaries of Survey Nos. 22, 21 of Melanahalli, 14, 15, 16, 10, 11 and 12 of Guruvapura up to the north-western corner of last named survey number. <i>South.</i>—Thence the line runs north-west along the northern boundary of Survey No. 43 of Somanahalli up to its north-western corner. Thence south along the western boundary of the same survey number up to its south-western corner, and thence north-west through Survey No. 16 of Kampanahalli up to a point on the common boundaries of Kampanahalli and Kurihatti about 5 furlongs east from the north-western corner of Survey No. 10 of Kampanahalli. <i>West.</i>—From the last named point the line runs north-west through Survey No. 43 of Kurihatti up to the north-eastern corner of Survey No. 42 of the same village. Thence north-east along the southern boundary of Survey No. 238 of Kenkere up to a point about 2 furlongs from the last named point. Thence north and north-west through Survey Nos. 238 and 237 of Kenkere up to the middle point of the southern boundary of Survey No. 236 of the same village. Thence north-east along the southern boundary of the last named survey number to the starting point.

Remarks—The following rights of way are admitted:—

- (1) *Foot-path* from Melanahalli to Huliya, 6 feet wide for men only. It enters the forest in Survey No. 13 of Guruvapura and leaves it in Survey No. 43 of Kurihatti running in a south-westerly direction.
- (2) *Foot-path* open for men only, 6 feet wide, from Kenkere to Kallurappanagudi in Survey No. 238. It enters the forest in the same survey number and runs east to the temple.
- (3) *Foot-path*, 6 feet wide, through Survey No. 237, from Kenkere to Chennabasaveswara gavi open for men only. It enters the forest in Survey No. 237 and runs east to the temple.
- (4) *Foot-path*, 6 feet wide, open for men only from Melanahalli to Chennabasaveswara gavi. It enters the forest in Survey No. 20 of Melanahalli and runs north-west to the temple.

No. R. 6180—Fts. 15-06-9, dated 20th December 1906.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that, from the 1st January 1907, the area, the boundaries of which are set forth in the Schedule annexed to this notification, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof:—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Mysore.	Nanjangud and Heggaddevankote Taluks.	14.27 square miles	Naganapura Block II.	<i>North.</i>—Starting from the trijunction bandhs of Survey Nos. 35, 36 and 125 of Hediya, the line runs south-east along the boundary between Madavanahalli and Hediya to the trijunction bandhs of Hediya, Madavanahalli and Amakahalli; thence south through Survey Nos. 52 and 123 of Naganapura for a distance of about 68 chains where it cuts Hadanur-Voderpura cart-track and goes south-east through Survey Nos. 123 and 127

of Naganapura for a distance of about 108 chains to the south-west corner of Survey No. 91; thence through Survey No. 89 for a distance of about 25 chains; thence east through the same number for a distance of about 20 chains; and south-east through the same for a distance of

about 25 chains; thence north along the east side of that number for a distance of about 17 chains to a point about 65 chains south from its north-east corner; thence north-east through Survey Nos. 24 and 21 for a distance of about 81 chains to a point about 37 chains east from the south-east corner of Survey No. 19; thence north-west through Survey No. 20 for a distance of about 62 chains to a point in the southern boundary of Survey No. 116 of Devarayasettipura, about 30 chains south-east from the trijunction bands of Hosavedu, Naganapura and Devarayasettipura; thence north through Survey No. 116 of the last named village for a distance of about 42 chains to the forest boundary mark; thence turns east and goes through Survey Nos. 116 and 115 for a distance of about 96 chains to a point in the western boundary of Kottanahalli about 30 chains south from the north-west corner of Survey No. 9; thence north-east through Survey No. 9 for a distance of about 87 chains to a point in the eastern boundary of that number about 40 chains south-east from its north-east corner.

East.—Thence south-west along the boundary between Kottanahalli and Kotekere to the trijunction of Kotekere, Kottanahalli and Manchahalli villages; thence along the boundary between Manchahalli, Kottanahalli and Naganapura to the trijunction of Naganapura, Manchahalli and Alattur villages; thence south along the boundary between Alattur and Naganapura to the trijunction of Alattur and Naganapur villages and Berambadi District Forest.

South.—Thence north-west along the boundary between Naganapura and Berambadi District Forest to the trijunction of Berambadi District Forest, Naganapura and Berambadi State Forest; thence south-west, west and south-west along the boundary between Naganapura and Berambadi State Forest to the trijunction of Berambadi State Forest, Marabuktanapura and Naganapura.

West.—Thence north along the boundary between Naganapura and Marabuktanapura to the trijunction of Marabuktanapura, Naganapura and Bankahalli; thence west along the boundary between Bankahalli and Marabuktanapura to the south-east corner of Survey No. 51 of Bankahalli; thence north-east along the eastern side of Survey No. 51 to its north-east corner; thence along the boundary between Naganapura and Hadanur to the trijunction of the said villages and Hadanur Voderpur (south-west corner of Survey No. 133 of Naganapura); thence north through Survey Nos. 133, 137 and 132 of Naganapura for a distance of about 100 chains to the south-east corner of Survey No. 37 of Hediya; thence north along the eastern side of it to the south-west corner of Survey No. 36; thence north-east along the south side of that number to the starting point.

Remarks—A. The following rights of way and water are admitted within the block:—

(I) *Foot-path*, from Kottanahalli to Kaskal Marigudi in the Berambadi State Forest, is admitted by foot-path number 11 *infra*.

(II) *Foot-path* from Devarayasettipura to Kaskal Marigudi in the Berambadi State Forest, 8 feet wide, to be open for men and cattle only in the bright half of Jyeshtha every year. It enters the State Forest at a point in the western boundary of Survey No. 115 of Devarayasettipura, about 40 chains south from its north-west corner and goes south through Survey Nos. 115 and 116 of Devarayasettipura and Survey Nos. 20, 21 and 23 of Naganapura for a distance of about 270 chains and quits the forest at a point in its southern boundary about 20 chains south-east from the trijunction of Berambadi State and District Forests, and Naganapura village.

(III) *Foot-path* from Naganapura to Nanjedevuru Cave in Survey No. 134, 8 feet wide to be open for men and cattle all the year round. It enters the forest in its northern boundary in Survey No. 123 of Naganapura at a point about 35 chains south from forest boundary mark No. 4 and goes south-west through Survey Nos. 123, 129 and 134 for a distance of about 140 chains.

(IV) *Sante-track* from Naganapura to Mallur sante, 15 feet wide, to be open for men, cattle and carts on every Thursday and Friday in a week. It enters the forest in its northern boundary in Survey No. 52 of Naganapura at a point about 22 chains north from forest mark No. 4 and goes north-west through Survey Nos. 52 and 125 of Naganapura and Hediya respectively for a distance of about 120 chains and quits the forest in the southern boundary of Survey No. 36 of the latter village about 140 chains north-east from its south-west corner.

(V) *Cart-track* from Naganapura to Beladakuppe Mahadesvara temple, 15 feet wide, to be open for men, cattle and carts all the year round. It enters the forest in its northern boundary in Survey No. 129 of Naganapura at a point about 65 chains south from station 4 and goes south-west through Survey Nos. 129, 131, 130, 135 and 136 for a distance of about 290 chains and quits the forest at the trijunction of Berambadi State Forest, Marabuktanapura and Naganapura villages.

(VI) *Cart-track* from Naganapura to Kaskal Marigudi, 15 feet wide, to be open for men, cattle and carts all the year round. It enters the forest in its northern boundary in Survey No. 89 of Naganapura at a point about 8 chains east from station No. 3 and goes south for a distance of about 95 chains through Survey Nos. 89 and 90 and quits the forest at a point in its southern boundary, about 25 chains south-west from the trijunction of Berambadi District and State Forests and Naganapura village.

(VII) *Cart-track* from Naganapura to Chujilipur katte in Survey No. 89 of Naganapura, 5 feet wide, to be open for men and cattle all the year round. It enters the forest in its northern boundary in Survey No. 89 at a point 10 chains west from station 2 and goes south for a distance of 35 chains to the katte.
